St. Marks School of Texas Dallas, Texas

WATCH over our school, O Lord, as its years increase, and bless and guide her sons wherever they may be, keeping them ever unspotted from the world. Let their hearts be warm with the flame of their boyhood ideals, their faith unshaken, their principles immovable. Be Thou by their side when the dark hour shall come upon them. Strengthen them when they stand, comfort them when they are weakhearted, raise them up if they fall. Let the Cross never grow dim to their eyes; but through the struggles and sufferings that may attend their steps, let its radiance lead them heavenward; and in their hearts may Thy peace, which passeth understanding, abide all the days of their life; through Jesus Christ our Lord.

William Amory Gardner

Dedication

With heartfelt appreciation to
VICTOR FRANCIS WHITE
Gentleman and Scholar

DALLAS 30, TEXAS

THOMAS B. HARTMANN
HEADMASTER

To the Class of 1960:

It would be difficult to write a different message for the Marksmen since headmasters during the years have been doing this sort of thing, and nearly every idea worth expressing has been expressed.

I have been trying to think of something unique to say. It just isn't possible. However, I do believe that each Senior Class, in my experience, has been unique in its own way. This is because each class is made up of a different group of individuals. The Class of 1960 is no exception. It has a personality of its own; it has its own type of character; and it has accomplished its goals in a different way than other classes have accomplished theirs.

The very uniqueness of the class is its strength. Since all of you are individuals with definite ideas, the class has reflected your philosophies.

It has been most gratifying for me to be associated with the Class of 1960. I believe that you have done a fine job as a group, and I have been particularly impressed with the way many members of the class have matured intellectually in the course of the last year. The relationship between me, as headmaster, and members of the Class of 1960 has been excellent. It seems to me that you have been willing to come to me to discuss many different things without hesitation. I have enjoyed this openness and frankness on your part.

I sincerely hope that all of you have a tremendous amount of success in the years to come. There is no reason why you should not have this success. You are serious when you must be serious, and you have fun when pleasure is appropriate. Perhaps one of the most impressive things which has happened to the Class of 1960 this year has been the way certain members of the class have risen to the occasion to provide leadership in key situations. For example, none of us shall forget the victories over Casady.

Thank you for your fine school spirit and for your willingness to make St. Mark's a better place.

Sincerely,

Thomas B. Hartmann

Junior Class

This year's Juniors once again made their mark on St. Mark's as they were represented in nearly every extracurricular activity while maintaining an excellent percentage on the two honor rolls.

Under the capable leadership of class officers Mickey Shampain, President; Don Skinner, Vice-President; and Pete Flood, Secretary-Treasurer; the Class of '61 began a year which was probably the most difficult and the most rewarding it had yet encountered.

Most Juniors carried five courses while dividing their time among the various other school activities. The class had lettermen on every sports squad, including "Marriot's Muscle Men." The Drama Club, Band, Choir, Art classes, and *The ReMarker* all drew representative numbers from the Junior Class.

One of the high points of the year was the Junior Dance held in the fall. Out of the Wild West came the hearty cries of the multitudes of Marksmen who strapped their guns on and made out to the SM corral. When the smoke cleared, most everybody figured that the dance had been as successful as any they had ever seen.

During the year, the Juniors began to grow out of their devil-may-care attitude and settled down to their obvious responsibilities as the future leaders of the school. Next year, as Seniors, they should provide the comprehensive leadership which has been the hallmark of the most outstanding classes of past years.

Freshman Class

The Class of 1963, numbering thirty-eight young Marksmen, was one of the best Freshman classes that St. Mark's has ever had. With Mr. Oviatt and Mr. Thompson as advisors, the class made much progress in every extracurricular activity of the school and maintained commendable grades throughout the year.

Freshmen excelled athletically, both as individual and in group participation. Smoky Swenson and Al Hill, who had led St. Mark's to its first conference crown in tennis the year before, were starters on the tennis team again this year. Fred Volcansek has won many medals for his first-rate performances in swimming competition. All of the sports teams had some Freshmen; the Freshman basketball team won a trophy in a tough tournament.

The class dance, the longest-delayed dance in the history of the school, was a beatnik affair held in early April. Despite the long delay, the dance provided everyone with a lively and interesting evening.

Band, Choir, Drama, and Student Council activities were well-supported by Freshmen. Bill Bailey as class President and Russell Reed and Terry Smith as Vice-President and Secretary-Treasurer respectively provided excellent leadership throughout the year.

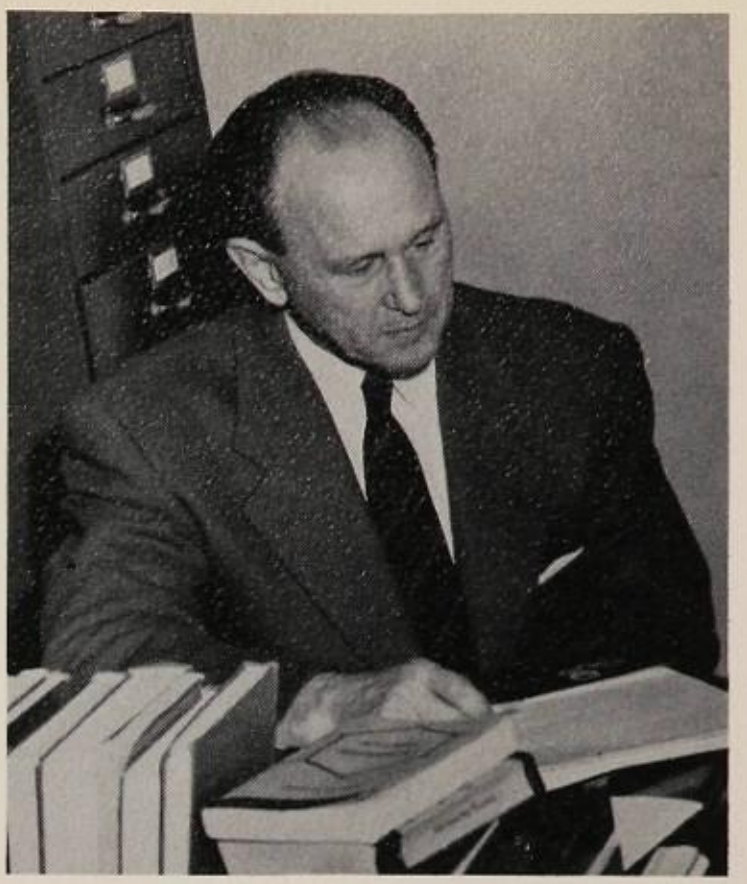
MAJORS HARRIS—Editor



DOC NELSON—Advisor

The Contributers to the Marksmen '60

Under the able supervision of "Doc" Nelson, the Marksmen, as always, was in the hands of the Senior Class. Editor Harris kept things at a frantic pace until the very end, slave-driving his obedient underlings until that last picture was taken, the last "typo" corrected, and a whole flock of new gray hairs was added to Doc's head. But we, the Marksmen staff, think it was all worth it, and what you hold in your hands now is the culmination of a school year's work, two heart failures, and three cases of ulcers—all for you. We hope you appreciate our effort.

The Remarker

SEATED (left to right): Moore, J., editor; Hendley, assistant editor. STANDING: Mac Adams, sports editor; Morse, assistant features editor; Gibbard, consulting editor; Hawley, Features editor; Hunt, business Manager.

This year's *Remarker* continued in the footsteps of the preceding years by producing a top-flight high school newspaper. Editor Jim Moore, a junior who had gained invaluable practical experience at his job under last year's editor, oversaw a newspaper with a careful balance of humor and fact, a paper which through its editorials and comments influenced school life in many ways.

A hard-working staff composed of upper-schoolers turned out the paper every month throughout the year. Significant additions to this year's paper have been regularly occuring humorous articles and the paper's firm editorial stand on important school actions. In its goals to train young men in journalism by giving them practical experience in every phase of newspaper production, the *Remarker* has also succeeded in publishing during the course of the year several outstanding issues which drew praise from many members of the Dallas community. The success of the *Remarker* this year points to many bright accomplishments in the future.

Student Council

FIRST ROW: Vice-President, Graham Gibbard; President, John Gowan, Secretary, Stuart Morse, Advisor, Mr. Christopher Berrisford; SECOND ROW: Grady Vaughn, Bill Bailey, Mickey Shampain, and Lewis McAdams.

"We, the students of St. Mark's School of Texas, in order to promote the welfare of the school and of its students, to form a more perfect union between the administration of the school and the student body, and to strengthen the relationships between the classes of the school and encourage community participation, do ordain and establish this Constitution."

—Preamble to the St. Mark's Constitution

The first year of any institution is a critical one. The future of student government at St. Mark's is dependent mainly upon the success of the 1959-1960 Student Council in their administration of the projects they undertook and in their willingness to accept responsibilities and deal intelligently with privileges.

At the beginning of this past school year, student government at St. Mark's stood on shaky ground. No form of student government at St. Mark's had been particularly popular or effective; both students and faculty were understandably unenthusiastic. But, under the capable leadership of Mr. Christopher Berrisford, and with the strong support of the entire school community, the Council established itself as the voice and leader of student opinion and laid the foundation for the promising years to come.

The purposes and objectives of our Student Council, as provided for by the Constitution, are three-fold: to act as the official representative of the student body whenever necessary, to provide an advisory link between students and administration, to encourage student participation in and to supervise any projects which arise on campus.

First off, intraconference relations were renewed and strengthened. St. Mark's Student Council learned much from the observation of the activities of other schools and from the particular ways in which they coped with problems similar to our own.

Early in the year the Student Council managed the sale of school pennants and decals, and sponsored the mixer after our first Homecoming Game. Later came the bolstering of school spirit which climaxed in the victories over Casady.

In the late winter and early spring the Council assisted in the evaluation and revision of school rules, and took over partial supervision of the library. The new and official school song is a product of this year's student government.

Next year's Council will have the advantage of a year of experience and the knowledge that it has the support of the entire school behind it. This experience and support, coupled with the confidence and ability of the seven members of the Council should make the student government of future years an integral and dynamic part of school life, functioning for every member of the St. Mark's community.

UPPER SCHOOL FIRST HONOR ROLL

Left to right, FRONT ROW: Reed, Moore, C.; Dean, Kemp, Bernstein, McCord, Morse, Strauss, H.; BACK ROW: York, Hawley, Harris, Gibbard, Lane, Adler, Seal.

UPPER SCHOOL SECOND HONOR ROLL

FRONT ROW: Kelly, J.; Kelly, P.; Kaplan, L., Lane, D.; Barry, Foster, E.; BACK ROW: Anderson, B.; Hunt,, Gamble, Carr, Moore, J.; Adler.

Honor Rolls

MIDDLE SCHOOL FIRST HONOR ROLL

FRONT ROW: Reese, Harris, Davidson, Works, Rawcher, Moore, G.; Cullum, Sears, Murchison. BACK ROW: Weiss, Case, Jordan, Mahon, Bedel, Moore, M.; Cullum, Meyers.

MIDDLE SCHOOL SECOND HONOR ROLL

FRONT ROW: Norton, Foyworth, Perry, Schoeneman, Knox, McQueen, Pian. BACK ROW: Laney, Breard, Feldman, Campbell, Webb, Kouyoumdjisky.

Radio Club

FIRST ROW: Bill Bailey, Ray Shelton, John Wolcott. SECOND ROW: Philip Jordon, Beard, Mr. North.

In September of 1958, Mr. North and Mr. Thompson, along with a small group of boys from grades eight through twelve, formed St. Mark's radio club. The boys showed much enthusiasm, and, as a result, the club continued into this school year, with more members and more equipment than ever. The purposes of the club are to train the boys in the elementary principles of electronics and radio procedures, to teach the boys communication by use of Morse Code, and to acquaint them with practical experience by building and repairing electronic devices.

Accomplishments of the club include a class "B" operating license for each boy, and an Amateur Radio License for the school.

Art Class

The Art Class, instructed by Mr. Arthur Douglas, attended by budding artists from grades seven through eleven, and held comfortably, in the new Fine Arts Building, has enjoyed total success. Meeting during its members' homeroom periods, this year's class has allowed its students to pursue their own individual interests; its teacher giving enlightening advice to the struggling artist so as to produce the maximum achievement.

Junior Steve Miller, reliable veteran of the course, has produced work with his characteristic verve. Classmate Jim Adler has enjoyed similar success. Sophomores Rodger Gaulding and Bill Scaggs have likewise been praised by their teacher, and Scaggs is even said to possess the "unlimited potential of a future artist." Freshmen Tony Briggs, Doug Owen, and Craig Williams and novices Pete Maxon and Howard Crow have also received commendations for their work.

Band

A single word to describe the 1959-60 season of the St. Mark's Band might well be satisfying. Certainly the band, though younger than usual, maintained the same high standards of musicianship established in past years; but this year, under Bandmaster Jarcho, most of the hopes and dreams of many years past were realized.

The most important event for the band was, of course, the completing of the Fine Arts Building, generously donated by Mr. and Mrs. Eugene McDermott. Towards the end of their successful appearances at all the football games, the band settled down to work for the Christmas concert. That December 5 was a pleasant evening with Christmas the theme, climaxing in a set of Christmas carols from around the world. The audience warmly received this, the band's first formal performance without special guests since Mr. Jarcho's arrival. Next on the calendar came an appearance on television where the band played selections from the concert; and the following day, the stalwart musicians went on tour of several hospitals and old-age homes in the area.

The spring Pops Concert went off in fine style, featuring young singing starlettes from Hockaday in a series of selections ranging from current hit tunes to romantic opera. The band's "concert hall" (the gymnasium) was beautifully decorated for the occasion: as always, the Band Mothers' Club, the band's guardian angels, carried things off magnificently. Finally, the band banquet in the second week of May put a final, flowing touch to probably the most gratifying season on record, one promising great things for the future.

The St. Mark's Choir

ST. MARK'S CHOIR, 1959-1960

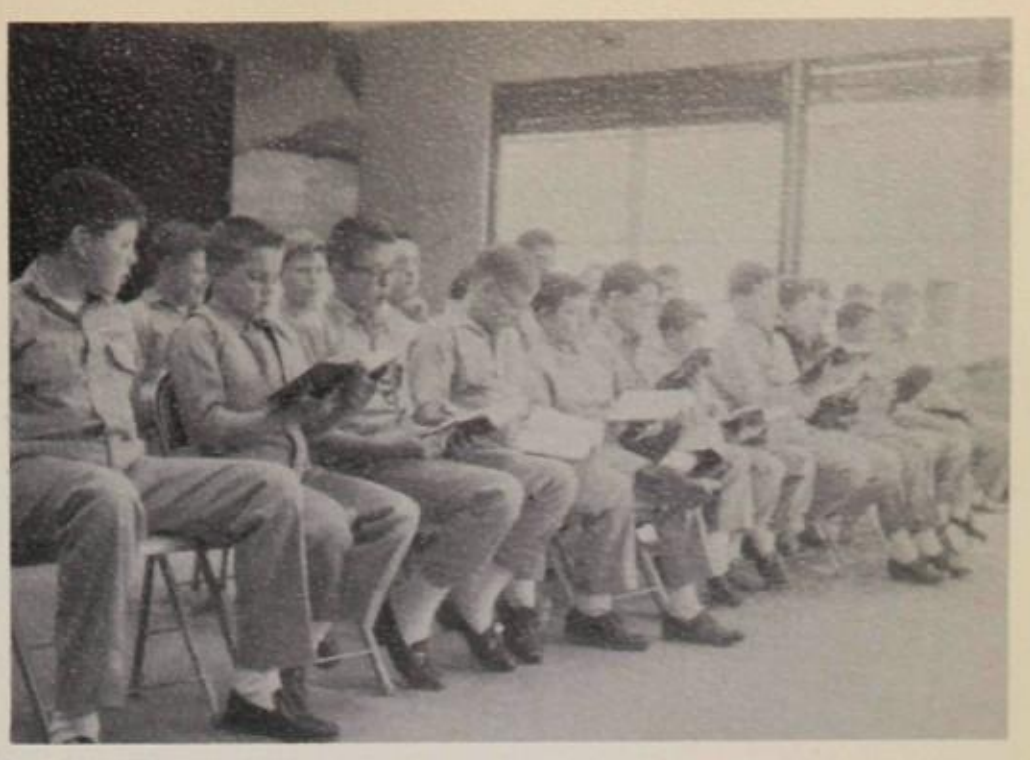
After closing last year's season with a performance of Benjamin Britten's *The Little Sweep*, the St. Mark's Boys' Choir began its 1959-1960 season well equipped with new members and vigorous new plans.

Under the direction of Mr. Winfred Johnson, choirmaster and organist, the choir was whipped into readiness for the annual tour by constant practice and by giving evensongs in the school chapel and at Incarnation Church. The tour commenced, as scheduled, in early December. Programs of Christmas music were given at Trinity Church, Tulsa; St. Paul's Cathedral, Oklahoma City; and Casady School, Oklahoma City. An atmosphere of Christmas cheer pervaded the tour and made it an occasion to remember by all who took part.

On March 25, the choir was visited by the St. James' Choir and by Gerald Knight, head of the Royal School of Church Music. The entire day was informative and mutually profitable for all concerned.

An ambitious undertaking, Benjamin Britten's *St. Nicholas* was presented, with the aid of a few chorally-minded Hockaday girls and a small orchestra on May 8 in the school chapel. It was the first such performance of the work given in this area.

The choir, besides affording its members opportunity for conviviality and cordial association, strives to acquaint interested St. Mark's students with worthwhile choral music. With the end of another successful year, it is expected that the choir will aspire to even greater undertakings in the years to come.



Drama Club

This year for the Drama Club has been an especially eventful one. Under the watchful leadership of the director, Mr. Christopher Berrisford, the Thespians of St. Mark's have moved into their new, permanent quarters at the Fine Arts Building and have established a precedent for the type of plays to be given in coming years.

With the completion of the Fine Arts Building in early October, an ambitious crew of workers turned one part of it into St. Mark's first permanent theater since the historic fire. In November the Drama club presented a gay American comedy, *The Rainmaker* to two well-filled houses. Just after Christmas, two new sets of actors had their chance to practice dramatic arts in two one-act plays. The first, *The Man in the Bowler Hat*, was put on by younger members and was indeed a "terribly exciting affair." The second play that evening was *In the Zone*, and early play by Eugene O'Neil. These two were presented on February 14 and 15. Then the Drama Club gathered its forces for a full-sized production of Marlowe's *Dr. Faustus*, complete with ultra-violet lights, flash powder, and a whole host of devils. The play ran for four nights spread over the last two weekends in April, and was received by enthusiastic audiences.

With a membership this year of over fifty, the Drama Club continued in its efforts to develop dramatic skills in its members and to provide entertainment for both its ranks and its public.

The Villain and the Heroine

"Was this the face that launched . . ."

"The jewel, or else!"

Typical Renaissance Man

The man behind the scenes

Boarding Department

This was the ninth and last year of the St. Mark's Boarding Department housed in Higginbotham Hall. Before the fall of 1951, the Department had survived the disastrous fire of 1943 and the hectic disorganization of frequent change to establish itself as an integral part of the school. Since 1951, the "Dorm" has provided comfortable living quarters for approximately fifty occupants, including many transient boarders from Dallas.

To the boys who have been boarders at St. Mark's, Higginbotham Hall has been more than a place to live. Liberal rules and discipline made possible a willing acceptance of responsibility and a feeling of companionship which exist in any normal household. Most boys found the dormitory a suitable place for both study and relaxation. A boarding student was able to make full use of the library; resident faculty members were available for consultation. The dormitory furnished the school with some of its best students, including several valedictorians. There was also time for fun and games, most of which centered around the Commons Room, the scene of a million fiercely contested ping-pong matches. In addition to these campus activities, there were movies, college sporting events, concerts, and everything else that Dallas offered.

Now, with the closing of the dormitory, an era at St. Mark's comes to an end.

Junior Dance

As the fiery sun set in the golden west, and the lonesome call of coyotes echoed over the St. Mark's campus, folks from all over found these parts, prettied up in their best Western duds, began assemblin' for the rip-roarin' shindig fixed up by the Junior Class. That cool evening of November 14 saw the gym done over as a saloon (straight from that silver-screened box in every living room), complete with bartenders. Drinks, soft, were on the house, and music for the get-together was furnished by the High Hats.

Highlight of the evening came with intermission entertainment. With just about everyone getting into the act, the juniors put on exhibitions of skill and talent, featuring the world-famous Peter G. Flood, the man with a wrist of lightning and a whip as sure as a Colt 45, assisted by a fearless companion. The entertainment was climaxed by an authentic revival of American aboriginal music by the Marksmen Trio.

The evening ended and friends departed, full of the spirit of the old wild west, and the stars shone bright—deep in the heart of Texas.

"Isn't he wonderful?"

"Why's everybody looking at me?"

Bob Stuart takes over

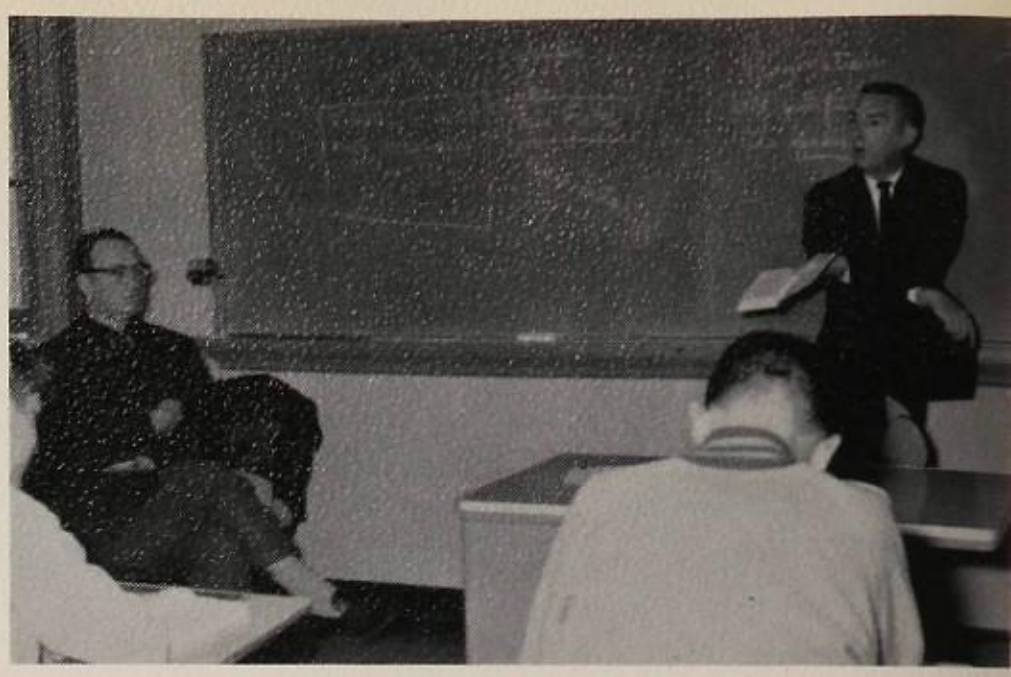
"Don't take that picture!"

Sophomore Dance

March 5 saw the opening of St. Mark's first exclusive night club, the *Chez Soph*. This extremely SOPHisticated affair was opened to the public (Of the school). From 8:30 to 11:30 and was located in what is, in more sane times, known as the Fine Arts Building. In the smokefilled atmosphere (no smoke) of a swank east side club, couples danced to the music of the Mayo Band. Refreshments were plentiful, the lights were low, and as they say, "a good time was had by all."

Floor show entertainment featured the talents of smooth, sophisticated Don Lively with a bevy of equally sophisticated small talk and school jokes. Guest stars included Clay "Shelley Berman" McCord and Rodger "Dave Gardner" Gaulding, with added comments by Bob Stuart, who played himself. The evening began and ended in the grand manner, and those privileged enough to get opening night passes enjoyed themselves to the hilt.

Parents' Day



On one of the few days when all Marksmen and a majority of their parents are on hand for an academic observance, the largest number of students and parents ever saw an unusually large number of Upper and Middle Schoolers receive awards at the annual Mid-Year Awards Assembly in late February.

First came two periods of specially scheduled demonstration classes, which were conducted under fairly realistic conditions. The schedule was arranged so that every student and teacher had at least one demonstration class. Then followed a brief but representative Chapel service attended by all students and visitors.

The entire school then moved into the gymnasium for the awarding of certificates for academic achievement during the first semester. This once lengthy ceremony has, in recent years, been compressed into the space of about an hour and a quarter. After the awarding of Honors (for a grade of 80 to 89 in a particular course) and High Honors (ninety or above) by classes, the recipients of the two highest awards were announced. Henry Strauss was the outstanding scholar in the Upper School, and Bryan Mahon led the Middle School in that department. Both had averages of better than 96. Russel Reed and Allen Cullum were the top citizens in the Upper and Middle Schools respectively, with perfect 1.00 marks.

At the end of the Awards Assembly, school was dismissed for the day, giving everyone a free afternoon. The arrangement was particularly convenient for boarders, since it allowed many of them to spend an extended weekend at home.

Parents' Day, which is unique among official occasions at St. Mark's is one of the principal functions of the school year. With the ever increasing emphasis on academic achievement, Parents' Day is quite obviously an event of primary importance and interest to every St. Mark's parent and student.

Mothers' and Dads' Clubs

The Mothers' Club is a working organization to help the school and not to formulate school policies. The mothers serve with pride and pleasure and are rewarded by the school's progress and a better understanding of the students, staff, and faculty.

Headed by Mrs. D. Easley Waggoner, the Mothers' Club has cooperated with the school administration in a social program for students, physical improvements in buildings and grounds, and the achievement of school goals.

As usual, the club met only four times this year, but members were busy all year planning social events for all grades (thirty-two events scheduled this year) and working with the Altar Guild, band, chapel, choir, drama, library, etc. Dues collected and profits from the sale of paper products, the only fund-raising project, were used to help school organizations and to provide summer faculty sabbaticals.

This year the fathers in the St. Mark's Dads Club continued to give their time in the interest of the school. The major contribution this year was the establishment of the first fund-raising program which was an immense success; headed by messers. MacAdams and Amis, a hard working crew of about seventy-five fathers raised more than $50,000 for faculty salary increases and scholarships, two areas of school life needing great attention. This fund raising for these two needs is expected to be made an annual affair. Other worthwhile projects of the Dads' Club have been the partial support of the *Remarker*, donation of the grandstand and a new television set for the dormitory. The Dads have also given their time to make such occasions as the barbecue dinners before the Casady game and Field Day at St. Mark's successful events. Without the Dads' Club, St. Mark's would lack many adequate facilities both now and in the future.

Fine Arts Dedication

On Friday, February 12, St. Mark's honored Mr. and Mrs. Eugene McDermott at the dedication of the Fine Arts Building which they had generously donated to the school. Among the large congregation in the gymnasium were parents, faculty, and the older students.

After the band had played the National Anthem and the Chaplain had given the dedicatory prayer, Mr. Hartman, speaking for the entire school community, expressed his gratitude to Mr. and Mrs. McDermott.

Morris Spencer, the President of the Board of Trustees, cited Mr. McDermott's selfless efforts to make St. Mark's one of the foremost preparatory schools in the country. He paid Mr. McDermott a personal tribute as only a lifelong acquaintance can; this stirring message was followed by a standing ovation.

Since it was Mr. McDermott's birthday, the band played a vibrant "Happy Birthday" to the obvious surprise and enjoyment of everyone in attendance.

The high point of the afternoon was Mr. Ralph Rogers' announcement that the new scholarship fund would be named for Mr. McDermott. Mr. Rogers jokingly referred to Mr. McDermott as a "very difficult man" who refuses to accept material of gratitude.

At the close of the ceremony, the Seniors took the initiative and stepped up to shake hands with their benefactor. Many younger students, parents, and friends of the school followed their example.

Mr. Spencer offers his praise.

St. Mark's faithful friend.

Mr. Rogers announces the scholarship fund.

St. Marks School of Texas Dallas, Texas

THE 1959 FOOTBALL SEASON

The football season of 1959 started slowly for Coach M. V. Hale and his St. Mark's Lions. The first two games were lost through the general inefficiency of an inexperienced and mistake-prone backfield and the sluggishness of a seemingly weak line. Not until the third game of the year did the Marksmen show themselves capable of a winning effort. In the lively second half of the Waco Catholic game, an inspired pride of Lions showed not only the ability to play good football, but also an added spirit and determination not evident in the two previous games.

The next week Kinkaid fell before the regenerated Lions. Then John Gowan threw four touchdown passes to down Brewer, in what Mr. Hal Curry called one of the best efforts in St. Mark's football history. But then St. Mark's, playing without several of its key players, lost to Allen Academy and St. John's of Houston.

Suddenly, and rather unexpectedly, school and team spirit rose to a fever pitch. The Lions played good solid football for three quarters, then scored a well-deserved touchdown to defeat the heavily favored Cassady Cyclones. It made the season, despite many earlier disappointments, a success. Thanks to Gambler Hale's skill with the coin, St. Mark's won the North Zone Championship of the A.T.P.S. for the second year in succession. Quarterback John Gowan and center Web Carr were All-Conference selections. Tackle Jay Perry joined these two on the All-District team from the North Zone.

And so a football squad which showed no promise of any great accomplishment and which made a definitely poor beginning, rose to unexpected heights later in the season, and carried on the proud tradition of serious and dedicated sportsmanship at St. Mark's.

SAINT MARK'S 6 RYLIE 14

The St. Mark's Lions took their home field for the first game of the 1959 football season on a humid Friday night in September. Early Lion drives were stalled by costly miscues and penalties. The Rebels drove 53 yards to score late in the first quarter, but failed to convert. Taking the kickoff on its own 32, SM moved to the Rylie 10 on hard running by David Gamble and Sam Hawn. A penalty nullified a sparkling Gowan to Miller touchdown pass; then a fumble stopped the Lion march at the Rylie 7 yard line.

In the third period, a bad pass from center sailed over the Rylie punter's head, giving the Marksmen the ball on the Rylie 12. The Lions failed to capitalize on this break. In the last quarter, St. Mark's fumbled away the ball on its own 30 yard line, and the Rebels scored in five plays and made the PAT. Late in the game, St. Mark's came alive and drove 65 yards for a TD. Spearheaded by the running of David Gamble, who picked up a total of 129 yards for the night, and the fierce blocking of Web Carr and Bill Hicks, the Lions drove to the Rylie 31. Then John Gowan hit Steve Miller with a 23 yard pass to put the Lions even deeper in enemy territory. Three plays later, Gamble went four yards for the score. The game ended with Rylie on top 14-6.

SAINT MARK'S 0 BUCKNER HOME 22

For the second straight week, poor ball handling and weak line play accounted for defeat, this time at the hands of the Buckner Hornets. A fired-up Buckner Home team, led by All-County tailback Orville Griffin, blanked a lethargic Lion squad 22-0.

Early in the game, punter John Sumner, bobbled a low pass from center to give the Hornets the ball on the SM 10. Two plays later, Griffin skirted left end for first blood. Buckner made good on the two-point conversion. A fumble gave the Hornets the ball on the St. Mark's 40 yard line and Griffin completed a long pass to set up a quick second TD. The score at halftime stood 16-0 in favor of the enemy.

In the third quarter the Lion offense finally clicked with some effective running by Alex Young and crisp blocking by Jay Perry; but the Lions were stymied by an intercepted pass. Buckner's offense was temporarily halted by the stout defensive work of Jim Hancock and Web Carr, who were outstanding in the line throughout most of the evening. But in the final quarter, Griffin heaved a 50 yard TD pass to put the frosting on a 22-0 Buckner win.

SAINT MARK'S 14 WACO CATHOLIC 16

The Lions took too long to warm up one chilly September night and lost to the Waco Catholic Cougars 16-14.

After falling behind 16-0 in the first half, the Lions roared back and almost pulled out a victory. In the third quarter All-Conference center Web Carr blocked a Cougar punt to set up the first Lion score. With seven minutes gone in the game, John Gowan plunged over from the one yard line; but a Gowan to Gamble pass was incomplete on the PAT attempt.

Gowan scored again in the fourth quarter and passed to Steve Miller to make the score 16-14. The Marksmen gained possession of the pigskin once more, but were unable to score before the end of the game.

Jay Perry, Web Carr, and Grady Vaughn sparked the Lions' defense. Waco's speedy John Wilkins, the leading scorer in southwest Texas football, was held to scant yardage. John Gowan was outstanding in the Lions' defensive backfield, foiling several Cougar passes that would certainly have gone for touchdowns.

SAINT MARK'S 28 KINKAID 20

After absorbing three defeats, the Lions pounced on an unwary flock of Kinkaid Falcons and won their first contest of the season 28-20. The first time the Lions got the ball, they marched 60 yards for a TD, with David Gamble accounting for 42 yards. With the ball on the Kinkaid 4, Alex Young drove over tackle for the score. With only 2:39 gone in the first quarter, the Lions led 6-0.

Kinkaid came back quickly on a 50 yard pass play, which set up a Falcon touchdown. The try for PAT failed, making the score 6-6 with less than three minutes gone in the game.

St. Mark's received the next kickoff on their own 34 and proceeded to march 64 yards for a touchdown. In the second quarter Gamble snared a Falcon aerial and raced 40 yards for the Lions' third touchdown. Gowan passed to Miller for a two-point conversion; St. Mark's led 20-6.

In the second half, after several exchanges of punts, Sophomore Bob Stuart picked off a screen pass and lumbered 20 yards into the end zone. Young blasted over for the PAT. Kinkaid came back to score twice on passes, but the Lions' forward wall rose up and contained the Falcons well enough to win 28-20.

SAINT MARK'S 26 BREWER 12

The fired-up St. Mark's Lions won their second straight game, outclassing and outgunning an inept Brewer eleven. The second time they got the pigskin, the Lions moved 62 yards on the steady passing of John Gowan and the hard running of Alex Young and Dave Gamble. The touchdown came on a Gowan to Lane pass with forty seconds left in the first quarter. Young's conversion attempt was unsuccessful. In the second quarter, Young and Gamble again combined their running efforts to put the Lions in scoring position. Gowan then tossed thirty yards to Young for six points. The PAT attempt was no good and the Lions were ahead 12-0.

In the third quarter St. Mark's cashed in on a Brewer fumble to score again. Gowan shot a pass to Alvin Lane for the TD and kept, going over tackle, for the two-point conversion. St. Mark's led 20-0. Less than a minute later, the Lions gained possession of the ball and rolled 60 yards to a score. The tally came on a 14-yard pass to Miller, but the try for points after was no good.

The Bears rallied to score two touchdowns on long, desperation passes; but SM had the game well in hand, winning 26-12.

SAINT MARK'S 8 ALLEN ACADEMY 34

The Allen Academy game was without doubt the poorest effort of the season. Several key players were unable to make the trip; the team's spirit hit a low point that Saturday afternoon. Offensively, the Lions stalled and lost the ball through fumbles and pass interceptions; our defense contained the Ramblers for most of the game and made several brilliant goal line stands, but faltered in the clutch.

In the second quarter, Allen drove 65 yards to score; less than two minutes later they scored again on a long pass to lead at the half, 14-0.

In the third quarter, stout defensive work by Web Carr and Junior Sam Hawn momentarily staved off a red hot Rambler offense. Then John Gowan led a suddenly inspired pride of Lions to a lightning-fast touchdown.

Starting on his own 25 yard line, Gowan raced thirty-one yards to the enemy 44; then successive passes to Hawn and Lane gave the Lions their first and only TD. Gowan kept and went around right end to make the score 8-14. After another Lion march had fizzled out, our defense leaked badly, and allowed Allen to score three more times. The final score was a disheartening 34-8 in favor of the opposition.

SAINT MARK'S 6 ST. JOHN'S 28

The injury-ridden St. Mark's Lions dropped their next game of the season in Houston to the powerful St. John's Rebels.

The Lions drew blood the first time they got the ball. After determined running by fullback John Sumner had put the ball deep in St. John's territory, John Gowan went 26 yards on fourth down to put SM out in front with nine minutes left in the first period. The try for PAT was unsuccessful.

With the score 6-0 in favor of the Lions, St. John's came to life and scored twice before the end of the quarter. Touchdowns were made by Tim Goodwin, on a 35 yards scamper, and Mike Carter, who blasted 30 yards up the middle to put the Rebels ahead 14-6.

In the second half the Lions had to do without the services of two injured starters, Gowan and guard Bill Hicks. St. Mark's fought with sporadic determination under the capable generalship of Sophomore quarterback Lewis MacAdams; but the Goodwin brothers' one-two punch was too much for them. St. John's won 28-6.

Sam Hawn, Pat Rudman, and David Gamble were standouts on defense.

SAINT MARK'S 8

After winning but two of seven games, St. Mark's was not given much of a chance to corral the Casady Cyclone in the last game of the season. Casady seemed to have the conference crown cinched, and school spirit had been noticeably low for several weeks. But on the day before the game, inspired by the Senior Class's "Beat Casady" banner across the front of Wirt Davis Hall, things really got rolling.

Soon after receiving the opening kickoff, the Lions lost the ball on a fumble. Later in the first quarter, quarterback Gowan and fullback Gamble led a determined drive sixty yards to the Casady 7; but again a fumble thwarted the hungry Lions' charge. The next time they had possession of the pigskin, the Lions went seventy-one yards in twelve plays, with Gamble and halfback Sam Hawn picking up most of the yardage. For the third time, St. Mark's lost the ball on a fumble, this time on the Casady four yard line.

in the first half, with the Lions' forward wall, led by Jay Perry, containing the Oklahoma City School's speedy backs.

After a sluggish third period, Gowan directed a thirty-five yard scoring march. A thirty-two yard pass to end Alvin Lane put the ball on the Casady 3, and on the next play Gowan carried over for the only touchdown of the game. He then kept around right end for the PAT. St. Mark's led 8-0 with less than three minutes to play and the remaining time was filled with a short see-saw battle for possession of the ball.

The Marksmen's defensive unit, playing its best game of the season, was sparked by such immovables as Web Carr, Jay Perry, Alvin Lane, and Jim Hancock.

This contest, which gave the Lions a victory in their first Homecoming game, provided the school fans with what was perhaps the closest fought, highest spirited, and most exciting game ever witnessed at Bailey Field.

SOUTH ZONE CONFERENCE

LION PACK'S 24-9 SEASON SETS RECORD

The St. Mark's Basketball Team, captained by seniors Jimmy Johnston and Don Avera, had a most triumphant season this year, tying for second place in the ATPS with a 5-2 conference record and compiling an impressive 24-9 record for the entire season. Coach Bill Blakeley's skilfull and ravenous Lion pack will be remembered always as one of the greatest athletic teams ever produced at St. Mark's.

After a decisive 75-46 win over Wilmer-Hutchins in the season opener, the team fast breaked through six more victories before losing for the first time to Richardson, who later became champions of District 12AA. The Lions sharpened their claws on Plano and Lancaster and then slashed through Rockwall, Plano, and Wylie in winning the Plano Thanksgiving Vacation Tournament. Don Avera and Mickey Shampain added further prestige to the team by making the All-Tournament Team.

Mesquite followed Richardson by downing the Lions in our first game after Thanksgiving Holidays, and St. Mark's took out its vengeance in a 57-47 trouncing of Wilmer-Hutchins. The team, now 8-1, rested for a week before the Ennis Tournament.

The Lions continued their winning ways in the first and in the semi-final game of the tourney by walking over Italy and Ennis. In the finals against long-time rival Midlothian we were edged out 58-55.

On New Year's Eve the Lions celebrated with a 51-50 win over the alumni. Some former and athletically familiar Marksmen as Joe Worsham, Jimmy Williams, Jim Childers, and Bob Thornton took part in the losing cause.

Starting the new year the Saints lost to a vindictive Lancaster team and then dumped Plano for the third time. St. John's of Ennis, Laneri of Ft. Worth, Terrell, Wylie. St. John's of Ennis again, and Mesquite. There were also two losses to Irving. The St. Mark's Cagers thus brought a formidable 19-6 won-loss record into the North Zone Round Robin Tournament, played at the St. Mark's gym on February 5th and 6th.

The Lions pushed their record to 22-6 in the North Zone Tournament with victories over Greenhill, St. Stephen's, and Casady. The Casady game was played before the largest and loudest basketball crowd in the history of St. Mark's. Sparked by a prodigious defensive effort, the Lions fought off a final onslaught by the Cyclones in the closing minutes of the game to win 43-39.

After the Tournament St. Mark's won one and lost one before the finals of the Southwestern Preparatory School Conference Tournament. The Lions 23rd win was over old friend Wylie, 58-47; and their 7th loss was at the hands of crosstown rival Jesuit, 61-54. In the Jesuit game, Don Avera and Mickey Shampain accounted for 43 of St. Mark's' 54 points: Avera 28; Shampain 15.

The Lions journeyed to Bryan, Texas, home of the Allen Academy Ramblers, determined to capture the SPC crown. We had a perfect 3-0 record and uppermost in each player's mind was the ominous Kinkaid team, who possessed a 17-1 non-conference record and whose 3-0 conference record coincided with ours.

The Lions opened the tournament by vanquishing the Allen team 53-30. In the second game the Lions beat lackluster Lutheran 44-40, setting the scene for a showdown with Kinkaid, who also had a spotless 5-0 conference mark. Only in the first quarter was the game relatively even. In the last game of the Tournament St. Mark's, already half-beaten by fatigue and forlorn hope, was dunked again, by St. John's. The Lions' chances for undisputed second place were spoiled by a score of 61-52. Kinkaid won first place with a 7-0 record; and Casady, St. John's, and St. Mark's tied for second place with 5-2 records. Don Avera was selected unanimously to the All-Conference Team, and Mickey Shampain received Honorable Mention.

CROSS COUNTRY SEASON

The second cross country team in Saint Mark's history was determined, able, encouraged, and skilfully-directed. Coach and founder, veteran harrier Ted Oviatt, led the rugged, but effective afternoon excursions, running with the team, or spurring them on with tenor shouts of encouragement. Enthusiastic and confident, the team assailed ranks of formidable competition and proved itself.

In cross country the lowest score wins. Because a teams score corresponds directly to the sum of the places it takes, every runner becomes important and tries to rank high. St. Mark's five or six top runners ran remarkably close together, all scoring well. It is possible, however, for larger schools, with two or three outstanding runners, to capture the top three places and win the meet. Another team might take the next ten places and still not win. This factor caused St. Mark's losses to larger Thomas Jefferson, Jesuit, and Irving.

St. Mark's opened its season against Irving and Greenhill, losing to Irving by three points and finishing forty-seven points ahead of Greenhill. A strong Jesuit team tamed the Lions by eleven points in the next meet.

The "B" team came back victorious over Greenhill 25-32, placing Leon Kaplan, George Basham, Dan Carraway, Bobby Strauss, Tommy Griffiths, and Jason Kelly in the first ten. At Jesuit, St. Mark's placed second, overpowering the third contender, Bell High School.

After a twenty point loss to Thomas Jefferson, the Lions ran over Greenhill, 18-45. At the Arlington Heights Invitational meet, the Lions placed fifth beating Azle (class A cross country champions), Lancaster, Arlington, and Birdville. In its best performance of the year, the St. Mark's team took 13th (Charlie Moore), 14th (Nick Anderson), 17th (Terry Smith), and 21st (Hank Strauss) places at the Bell Invitational, finishing third in a field of ten teams. Behind AAAA Irving and AAA Duncanville.

As a succesful season closed, letters were awarded to Charlie Moore, Nick Anderson, Terry Smith, Hank Strauss, Team Captain David Gamble, Bart Anderson, and Jacques Bagon. "B" team letters were presented to Leon Kaplan, Graham Gibbard, George Basham, Dan Carraway, Jason Kelly, and Parry Kelly.

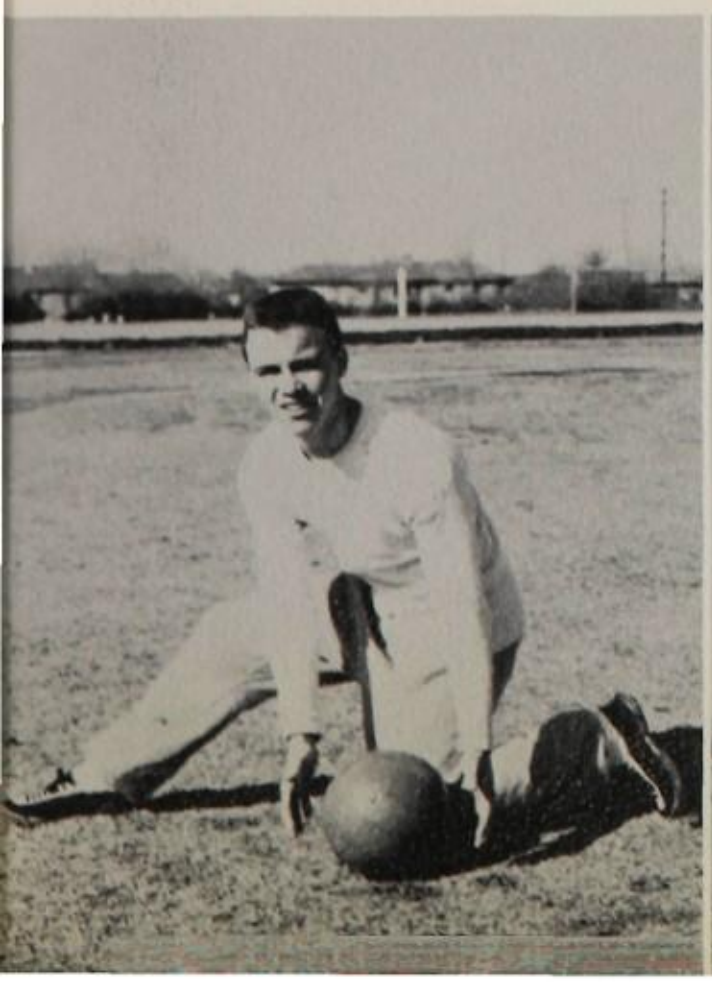
BILL SLEEPER

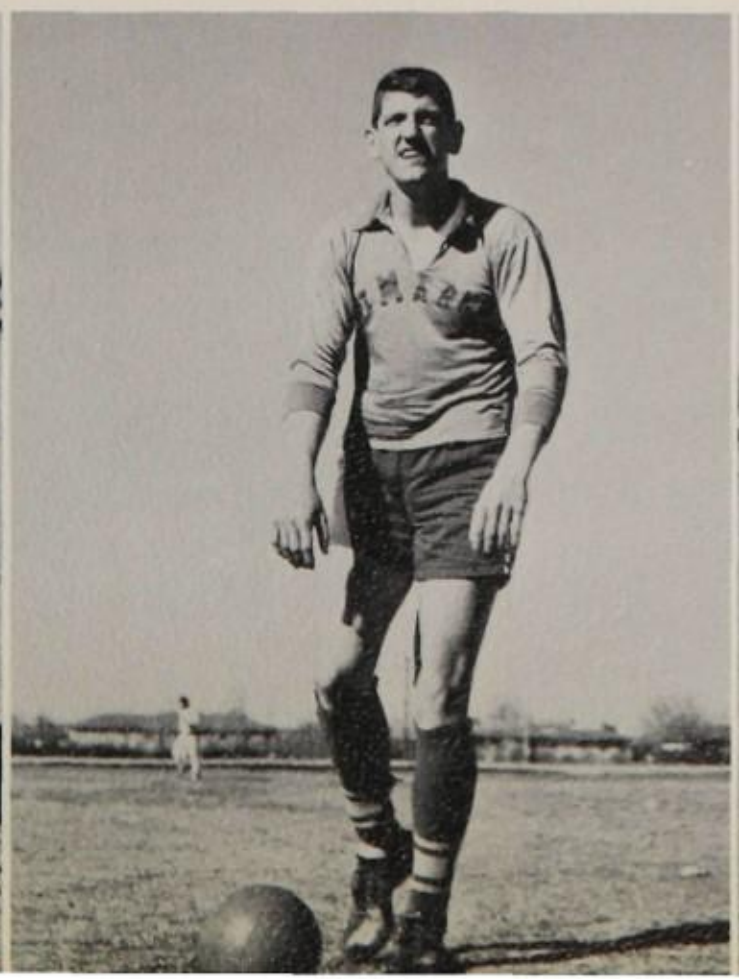
During the winter months, the soccer team takes charge of Bailey Field at St. Mark's. This year, with the best turn-out in three years, Mr. North and Mr. Berrisford put the boys through the practice drills for the first week to discover talent. The team's first game was played against Ranch House. a semi-professional team in Dallas. Ranch House scored in the first period, but a fired up St. Mark's effort tied the score. The goal was made by Chris Nordenson on a pass from right wing Craig Williams. Ranch House then scored again before the half ended, making the score Ranch House 2, St. Mark's 1. In the second half, St. Mark's played a defensive game giving up only one goal. The game ended Ranch House 3, St. Mark's 1.

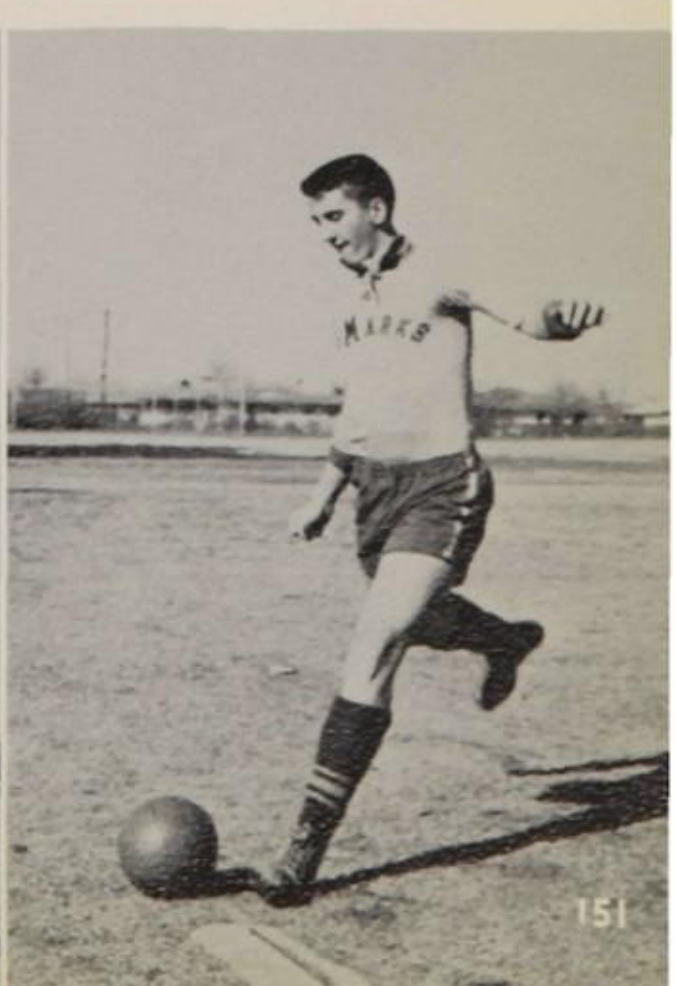
PAT KELLY

DAVID DeWITT

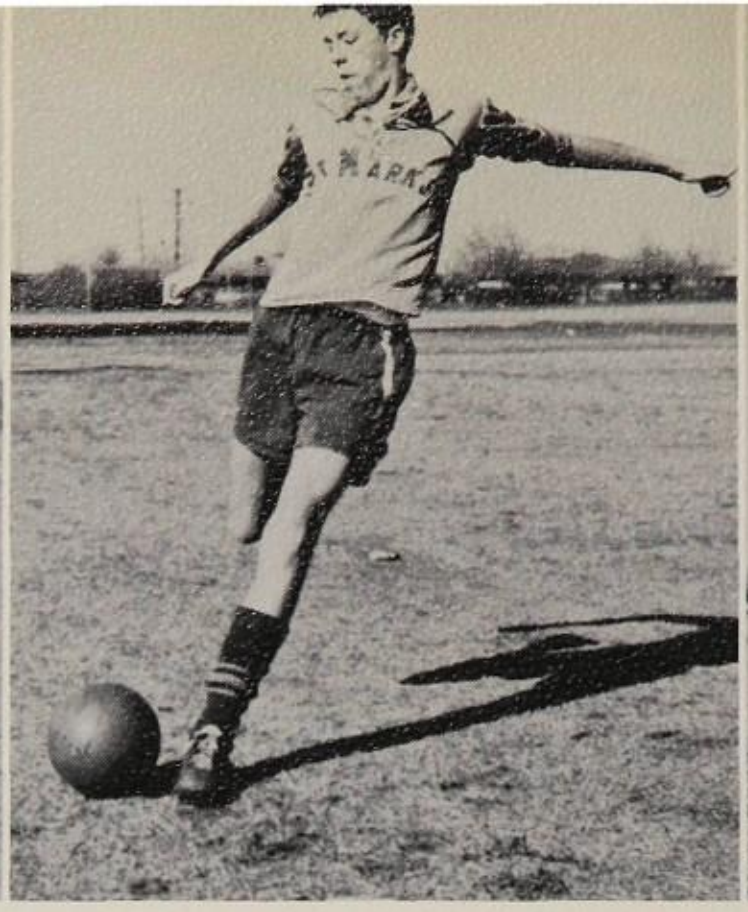
JIM MOORE



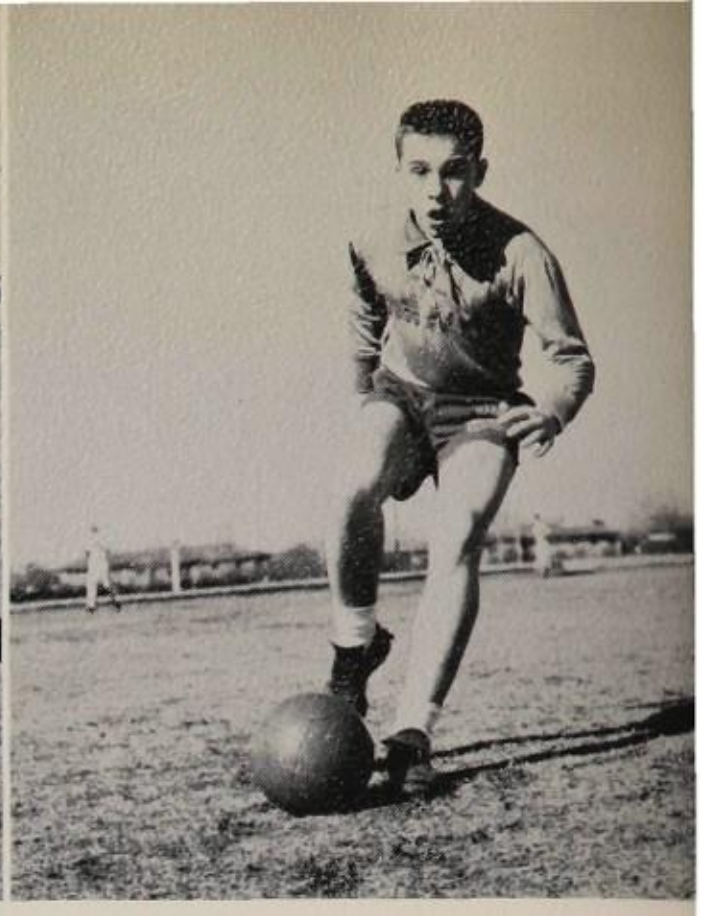




MIKE LEA



BILL SCAGGS



DON LIVELY

The Lions next game pitted them against Allen Academy here at home. St. Mark's scored two quick goals in the first half. As play resumed, Allen broke through the Lions defense and scored. St. Mark's made one more goal as the game ended St. Mark's 3. Allen 1.

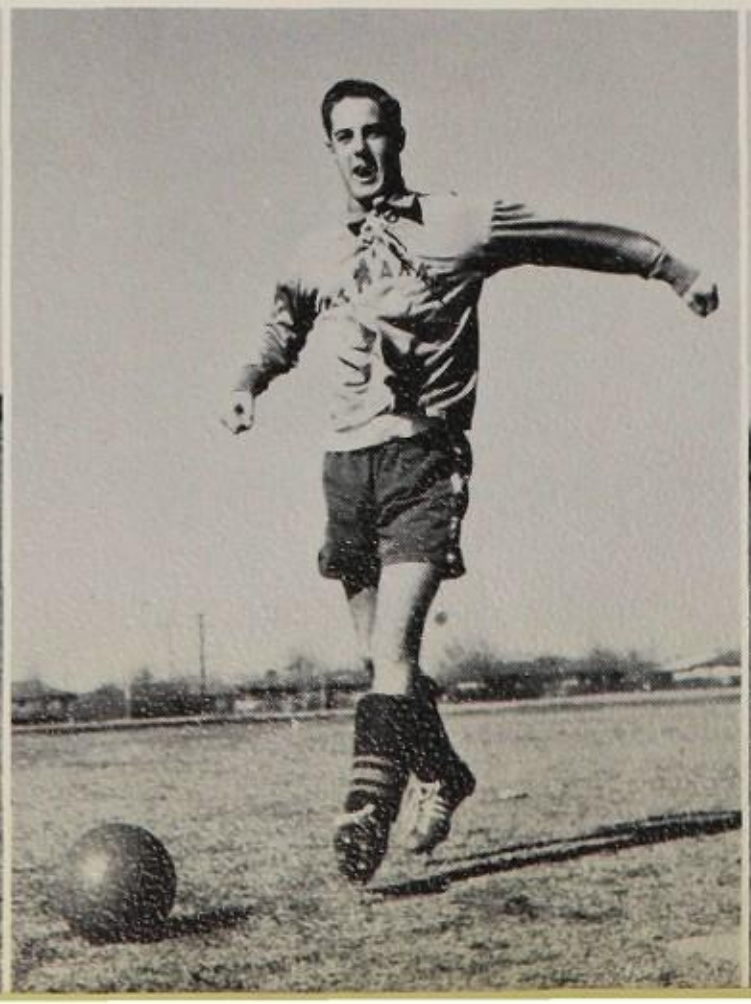
The team traveled to Bryan to play Allen there. The game was somewhat slowed by the heavy rain during the half. It did not seem to hinder the Lions' scoring ability, as we fired three goals by their goalie to Allen's one. The scorers were Senior Chris Nordenson, Terry Tomlin, and Jim Shelton.

The following week St. Mark's was on the road again. This time they went to Casady in Oklahoma City. In this game our offense failed to click as the Cyclones won 2-0. The score read exactly opposite for the "B" team. Goals were scored by Senior Bill Sleeper and Mike Lewis.

BILL BAILEY

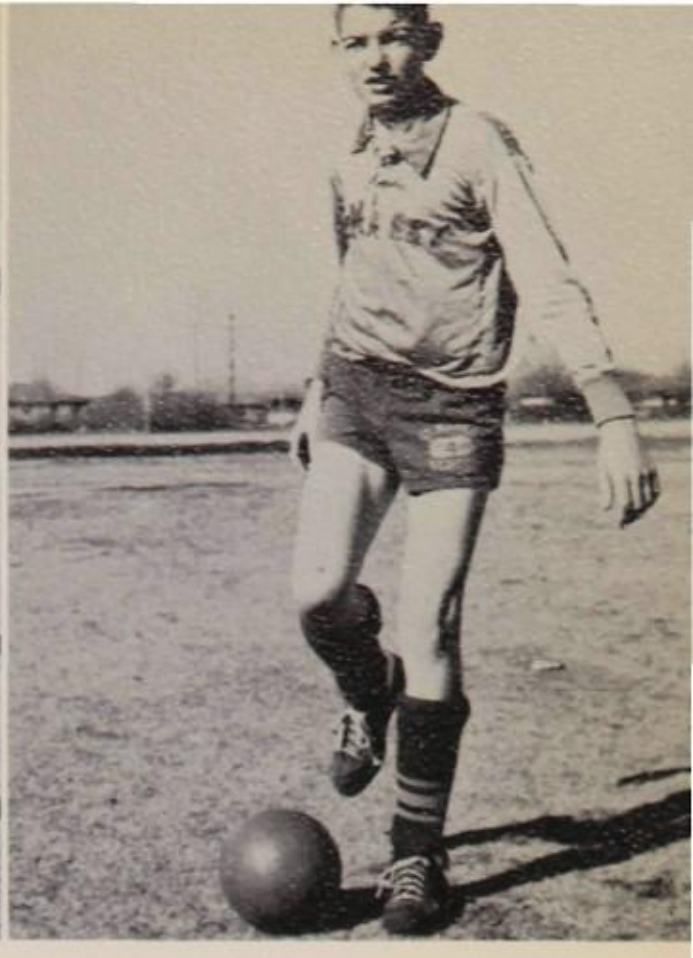
JOHN BLOCKER

MIKE LEWIS



CHUCK KNOX

ROGER KALLENBERG



CRAIG WILLIAMS

The Lions played host to the Casady team the next week. The high-spirited St. Mark's squad scored first and held the Cyclones until Casady scored with less than two minutes to play in the game. Chuck Knox was the Lions' scorer.

The Lions met another semi-professional team for their last game of the season. The St. Mark's eleven played Fort Worth the hardest-hitting ball that the guests had seen all season. We smashed through the Fort Worth defense early in the game and scored off the toe of Chuck Knox. But the experience and skill of the cowtown team proved too much for the Lions. The game ended Forth Worth 3, St. Mark's 1.

Although the team's record was not impressive, there is much rising talent in the ranks; and next year's team should certainly have a winning season.

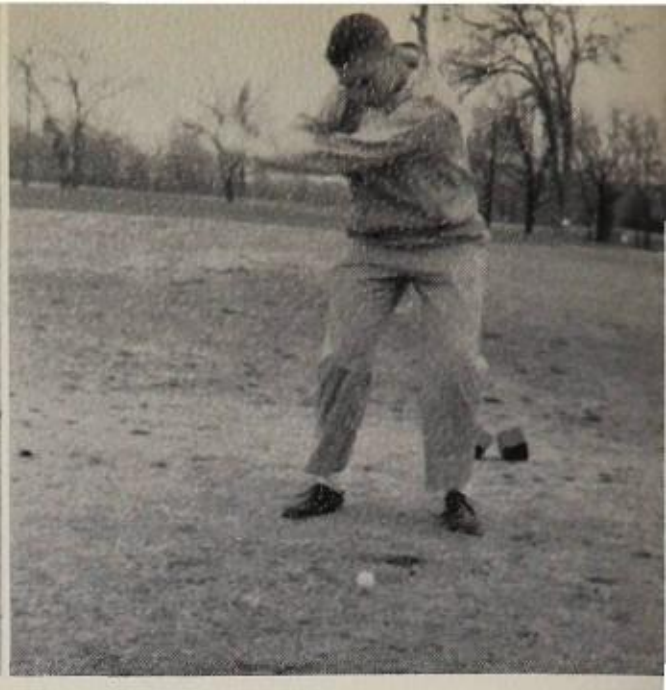
The Divot Diggers



DON HARRIS

Golf 1960

Prospects for the 1960 golf squad were, as of last March, quite good. Coach L.F. North had two lettermen, Mike Andrade and Don Harris, returning from last year's A.T.P.S. championship team. The remaining berths of the squad were sought by Allen Rozelle, Don Donnally, Bart Anderson, Ronny Tomlin, and Neal Sleeper.

Coach North lined up some keen competition with such teams as Terrell, Jesuit, Arlington Heights, Hillcrest, and several of the city AAAA schools. In a few earlier matches played in the fall, St. Mark's showed promise—even without the services of Harris and Rozelle—against teams they played in the spring.

Although victories against the city schools brought considerable prestige, the date Coach North and his men were pointing for was the A.T.P.S. Tournament in Oklahoma City. The Lions were aiming to repeat as conference champions, and were considered to have a great chance of success.

Tennis 1960

The St. Mark's tennis team, with four lettermen returning, appeared, in early March, to be heading for its second straight conference championship. It was expected to rack up one of the best records in the Dallas area. Al Hill, Jr., a freshman letterman, won single-handedly the junior division of the Cotton Bowl Tennis Tournament by placing second in the singles and by teaming with a local boy to win the doubles. Other returning lettermen were Burt Jordan, Senior; Dee Skinner, Junior; and Smokey Swenson, Freshman. Don Avera, who was a state AA finalist last year in the public schools' playoffs and who ranked fourth in Cuba this past summer, was expected to be one of the team's mainstays.

Matches were played against such schools as North Dallas, Kimball, South Oak Cliff, Jesuit, and Thomas Jefferson. The team also participated in the Garland Invitational Tournament and the Austin Jaycee Invitational before taking part in the conference meet on April 30.

VISIT FAMOUS SEVEN FALLS

Colorado Springs, Colorado

No visit to the Pike's Peak region is complete without seeing Famous Seven Falls. Nature's scenic masterpiece by day, a fairy-land under lights at night. The only completely lighted canyon and waterfall in the world. Viewed by 300,000 visitors each year and acclaimed The Grandest Mile of Scenery in Colorado.

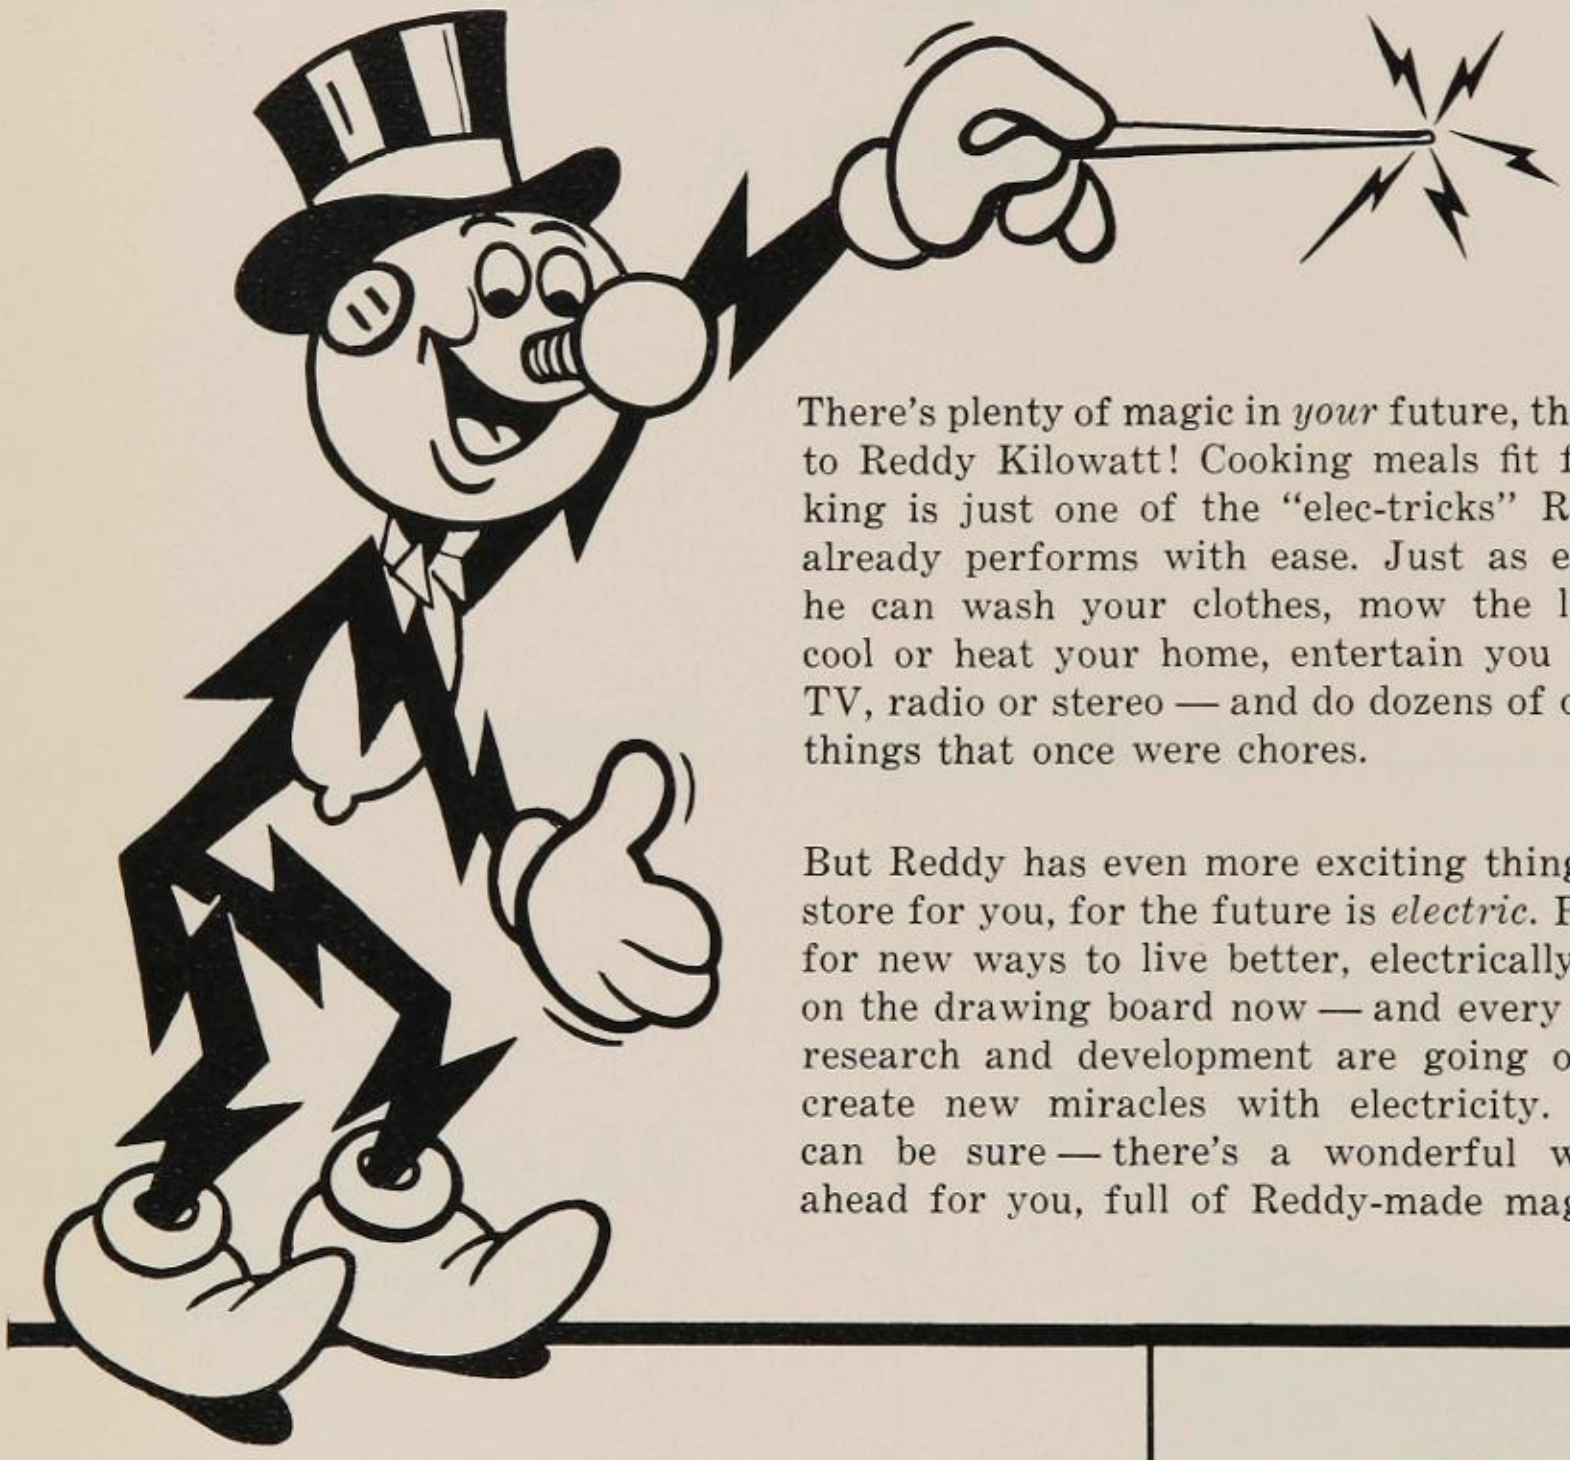
REDDY-MADE MAGIC FOR YOUR FUTURE



There's plenty of magic in *your* future, thanks to Reddy Kilowatt! Cooking meals fit for a king is just one of the "elec-tricks" Reddy already performs with ease. Just as easily he can wash your clothes, mow the lawn, cool or heat your home, entertain you with TV, radio or stereo — and do dozens of other things that once were chores.

But Reddy has even more exciting things in store for you, for the future is *electric*. Plans for new ways to live better, electrically are on the drawing board now — and every day, research and development are going on to create new miracles with electricity. You can be sure — there's a wonderful world ahead for you, full of Reddy-made magic!
